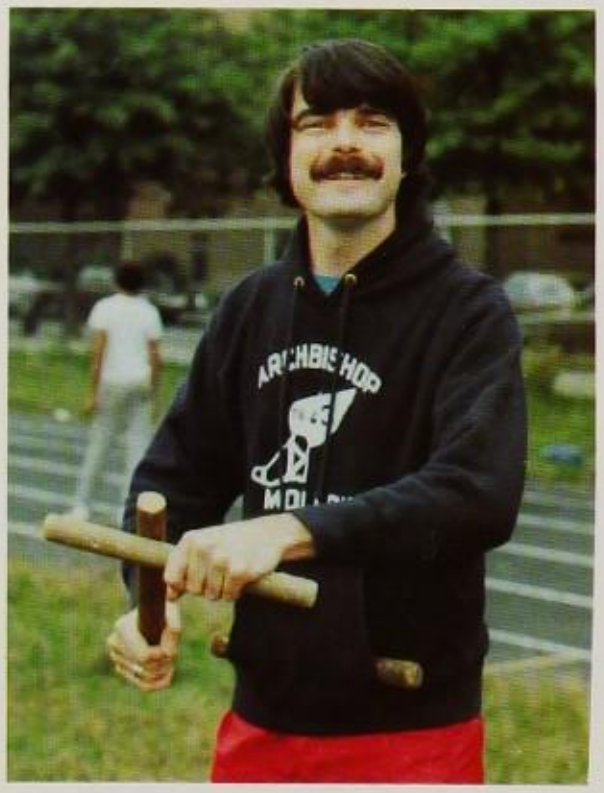
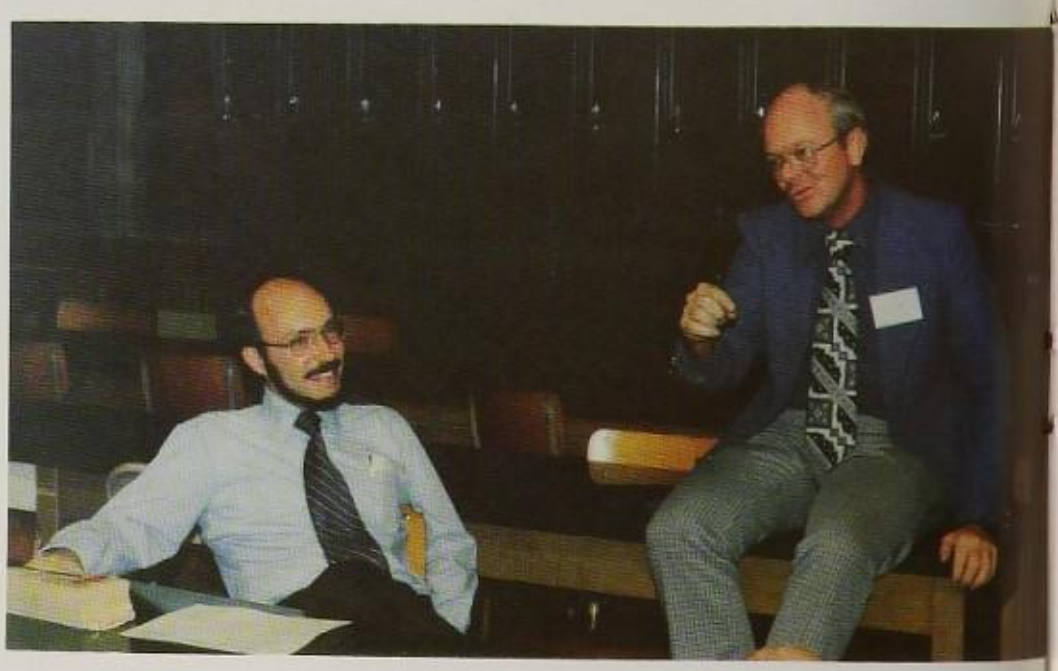
BLUE and WHITE 78

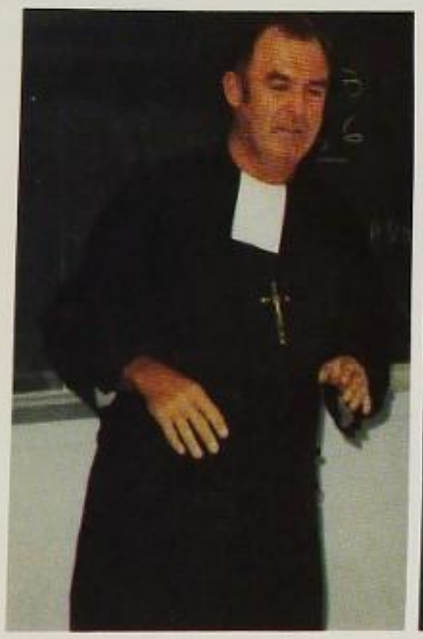
Archbishop Molloy High School
Briarwood, New York
Blue And White 1978

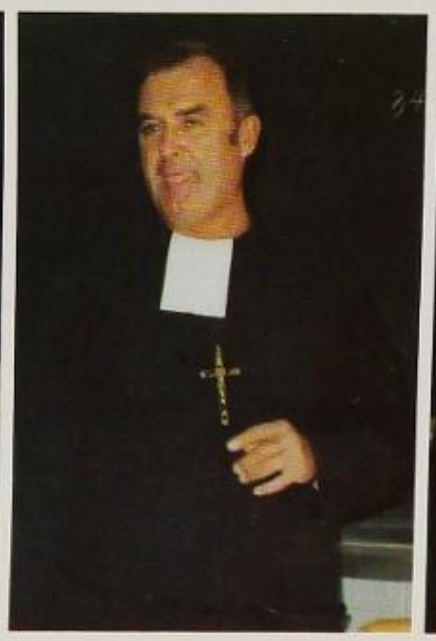
Faculty - Page 16

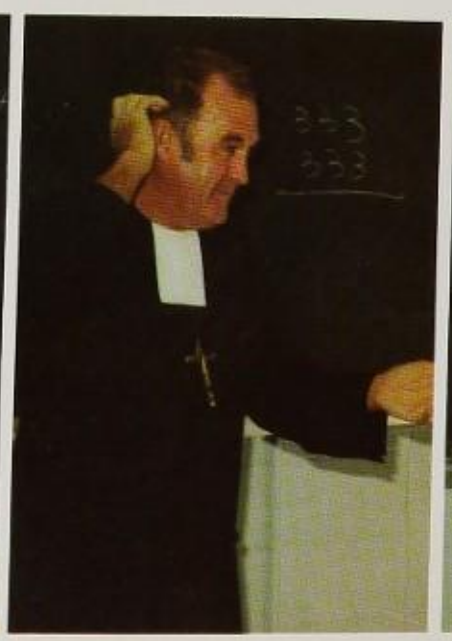
Even more significant than many of the things Molloy is noted for, is its concern for people and respect for the individual. This was not

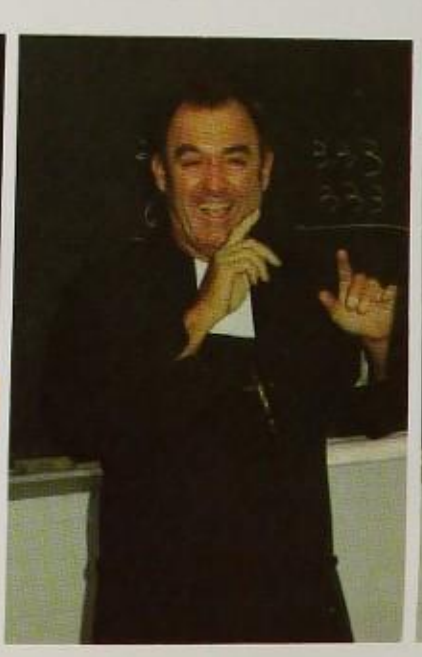


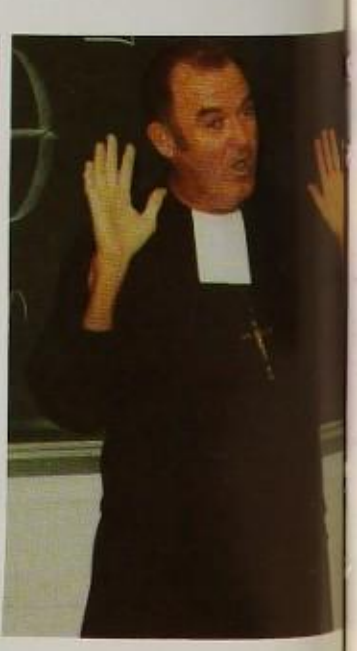






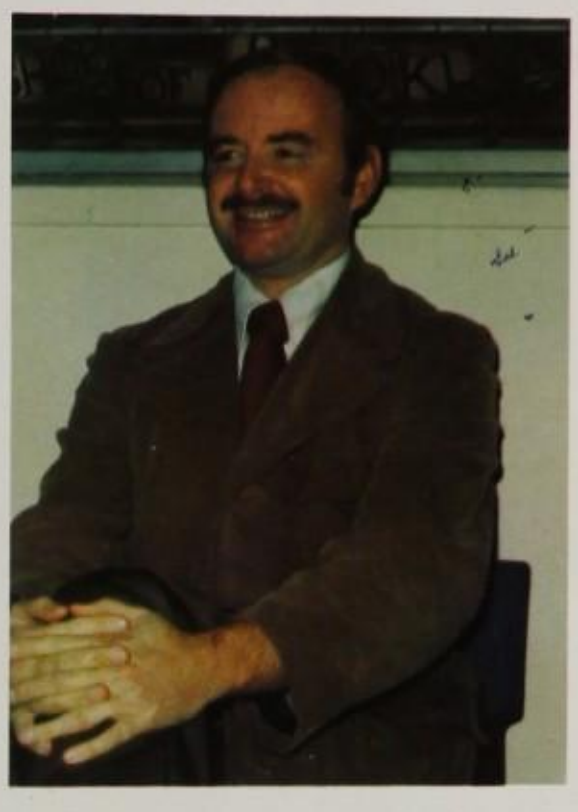






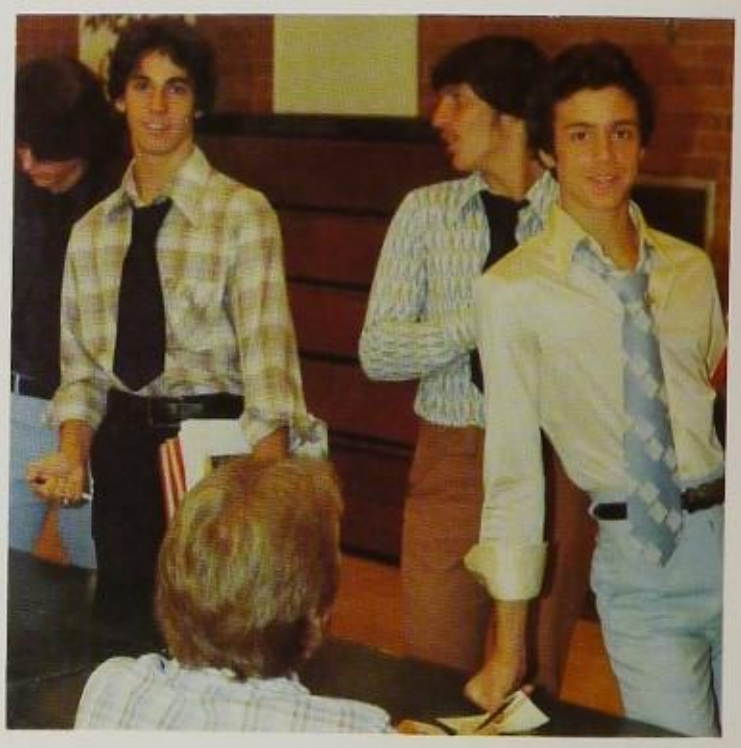
always so, but I believe it is Molloy's best quality, and its faculty's greatest contribution, in recent years.

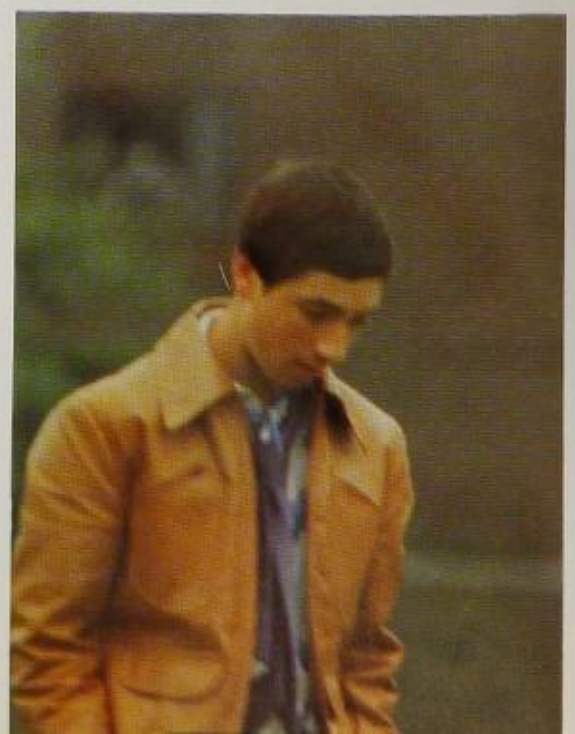
-Bro. Jogues



Seniors - Page 30

Looking back over my four years, the thing I appreciate most is the atmosphere here. The close relationship between students and teach-



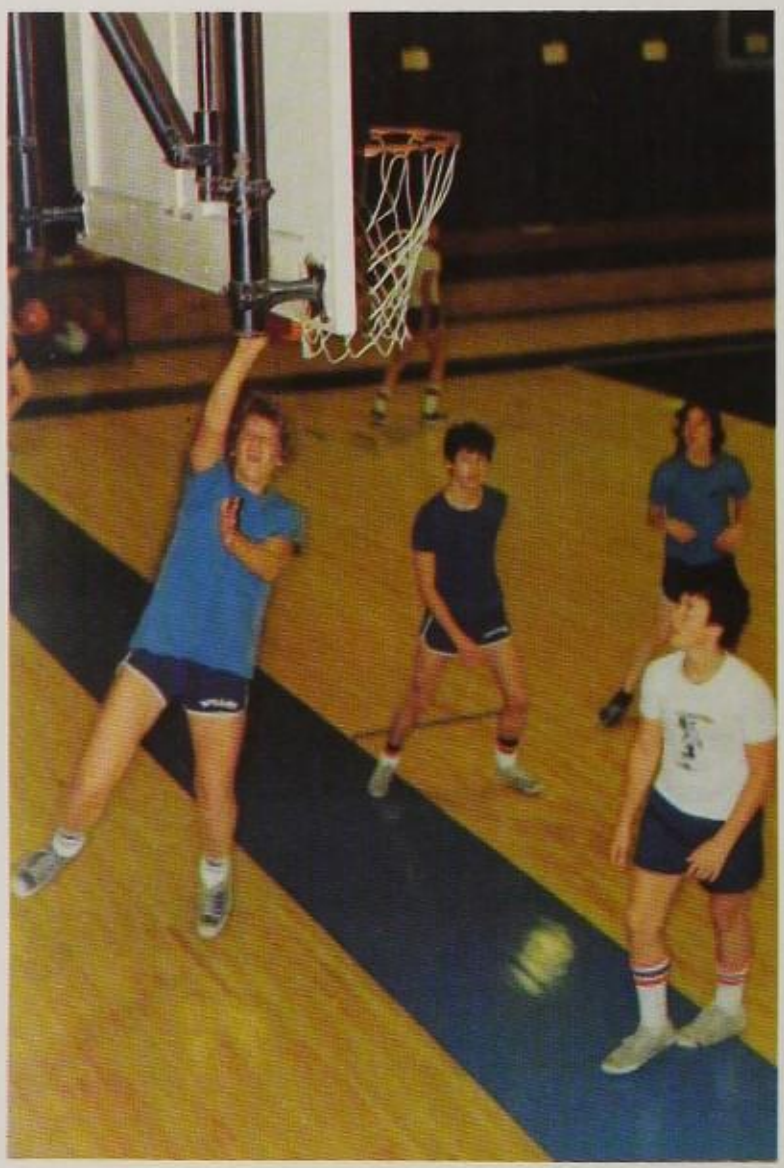


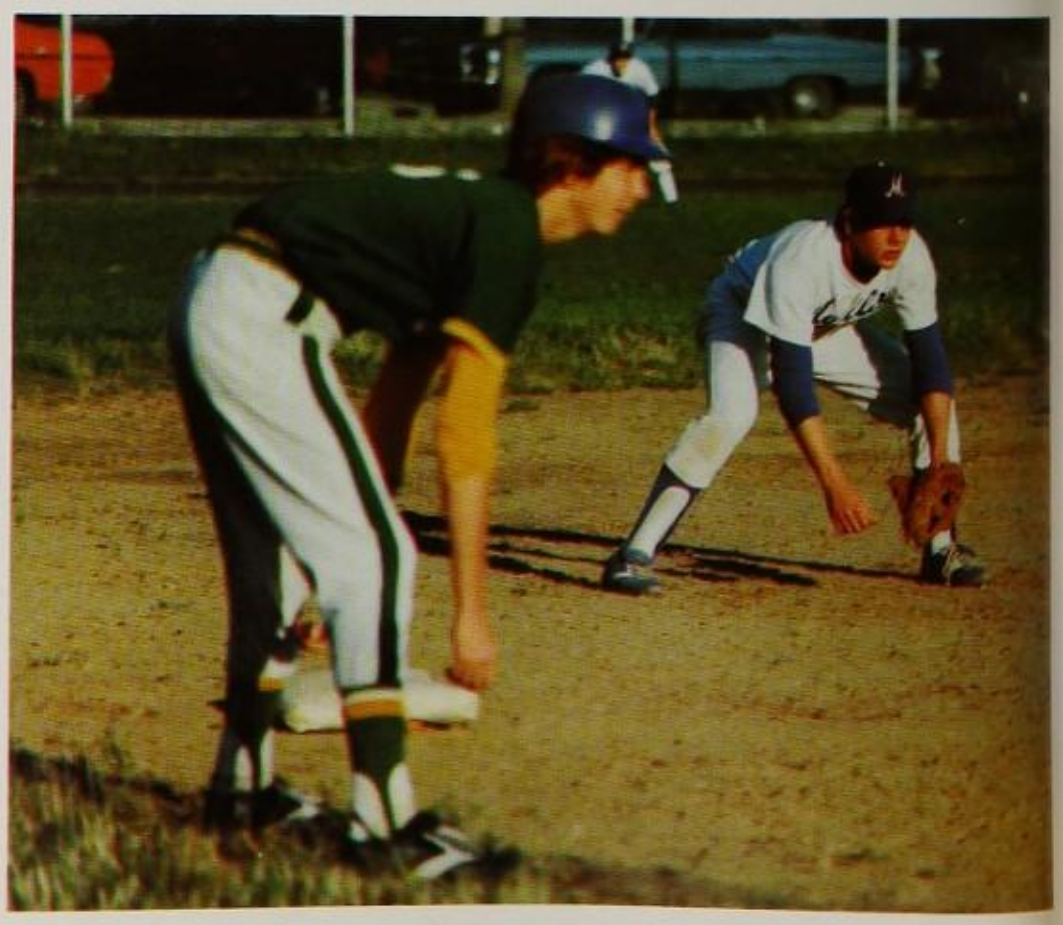
ers, as well as the variety of activities offered, have all encouraged me to be confident as I develop into the individual I am.

-Roy Boehm

Sports - Page 62

The importance of our athletic program is not the trophies or medals or even the competition



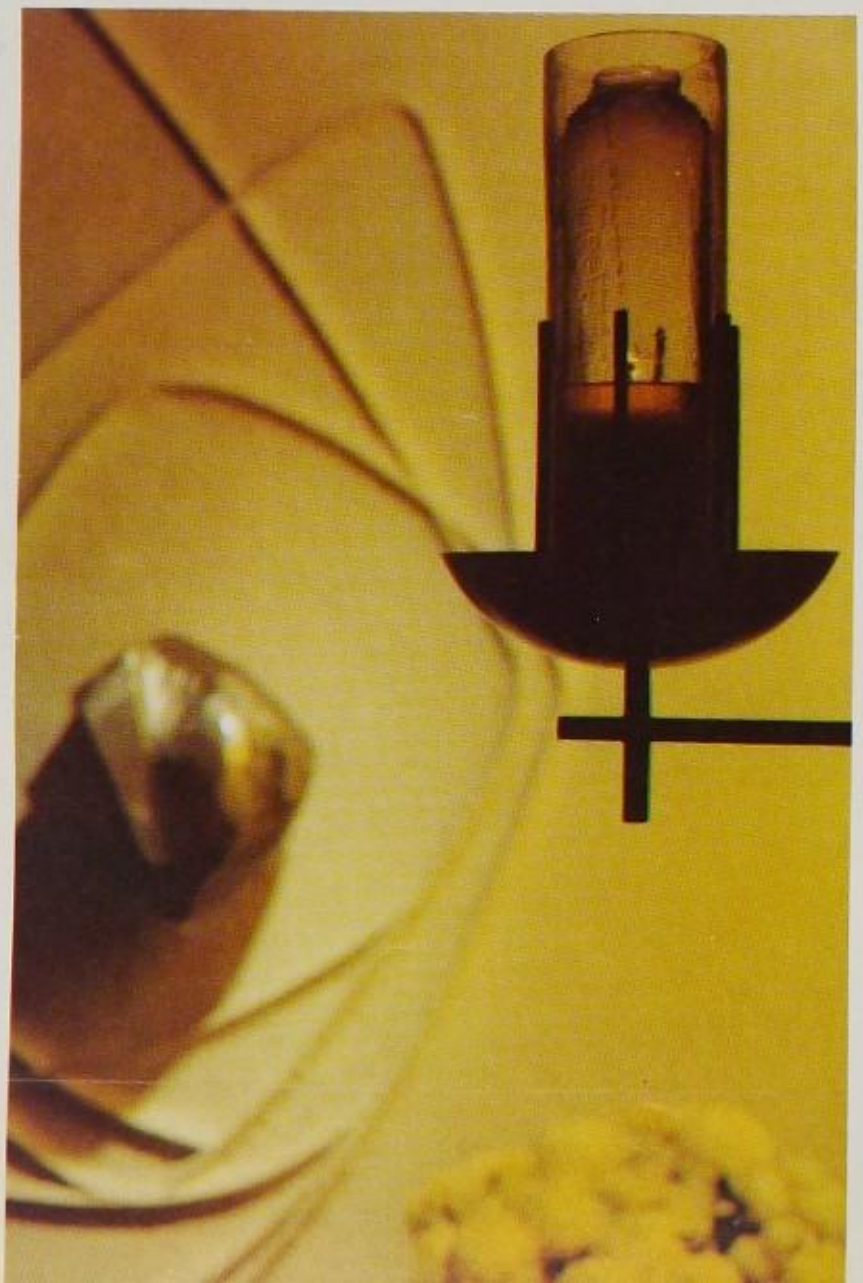


itself, but rather the dual synthesis of spirit and body, coach and athlete, joined together in a common venture.

-Bro. Thomas Reithman

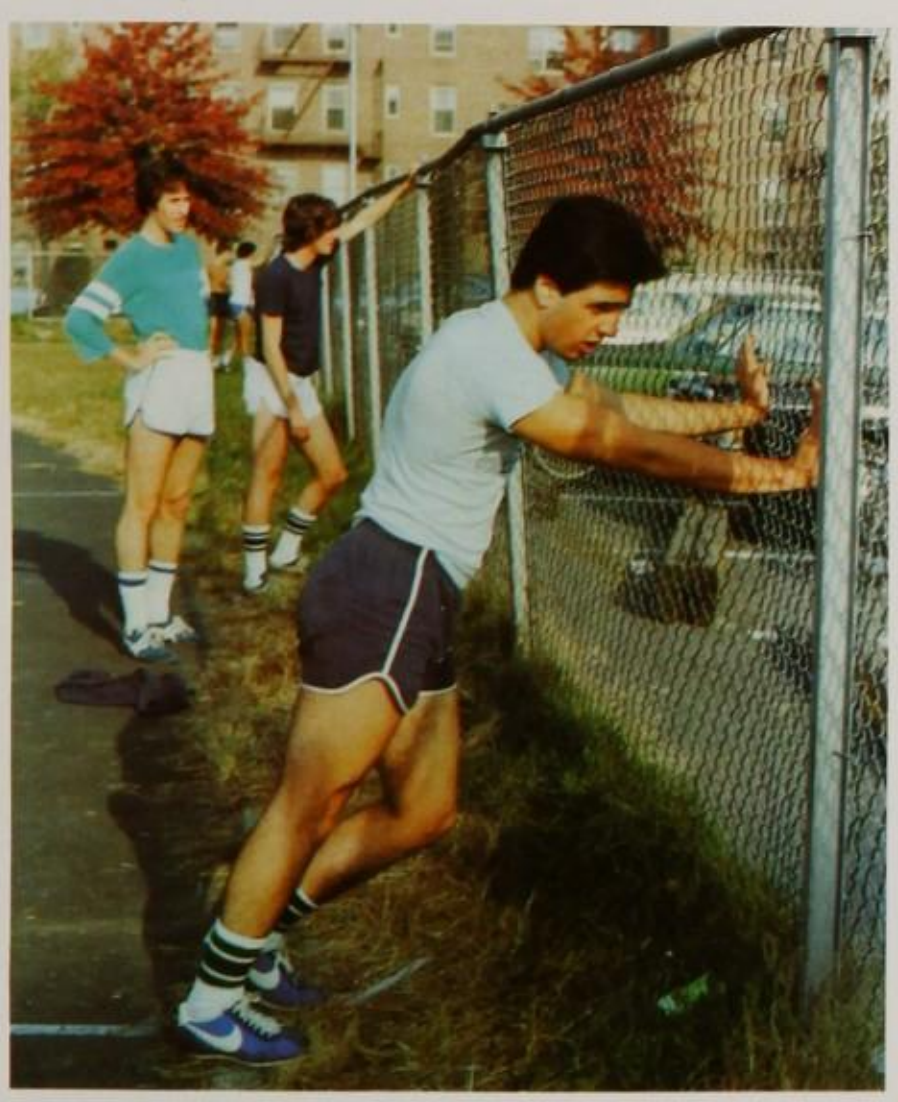
Juniors - Page 108

More than the athletics and academics, the things I value most about Molloy are somewhat difficult to describe. Yet I do know so



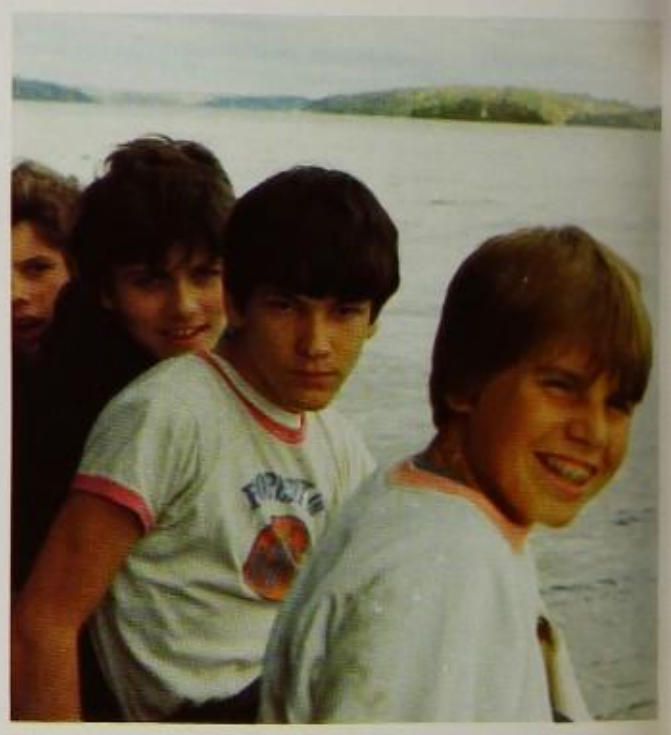
many people here create a real feeling of trust - an atmosphere of genuine concern for each person.

- Warren Reardon



Activities - Page 152

I never thought I would be the type of person who would join several activities during high



school, but there was such a variety of clubs to choose from, that I eventually found myself becoming involved in many.

- Bob Roth

Sophomores - Page 130

I had to adjust myself to Molloy. My grammar school only had four teachers and four classrooms. Yet I was surprised that in less time than I would have thought possible, I felt as at home here as I did there.

- James Regan

Freshman - Page 200

Before entering Molloy, I feared the rumors I heard . . . you always have to keep your head in a book . . . you'll never see the outside. But now I'm more realistic. The work is challenging, but not excessive. And there is certainly time and opportunities to do other things.

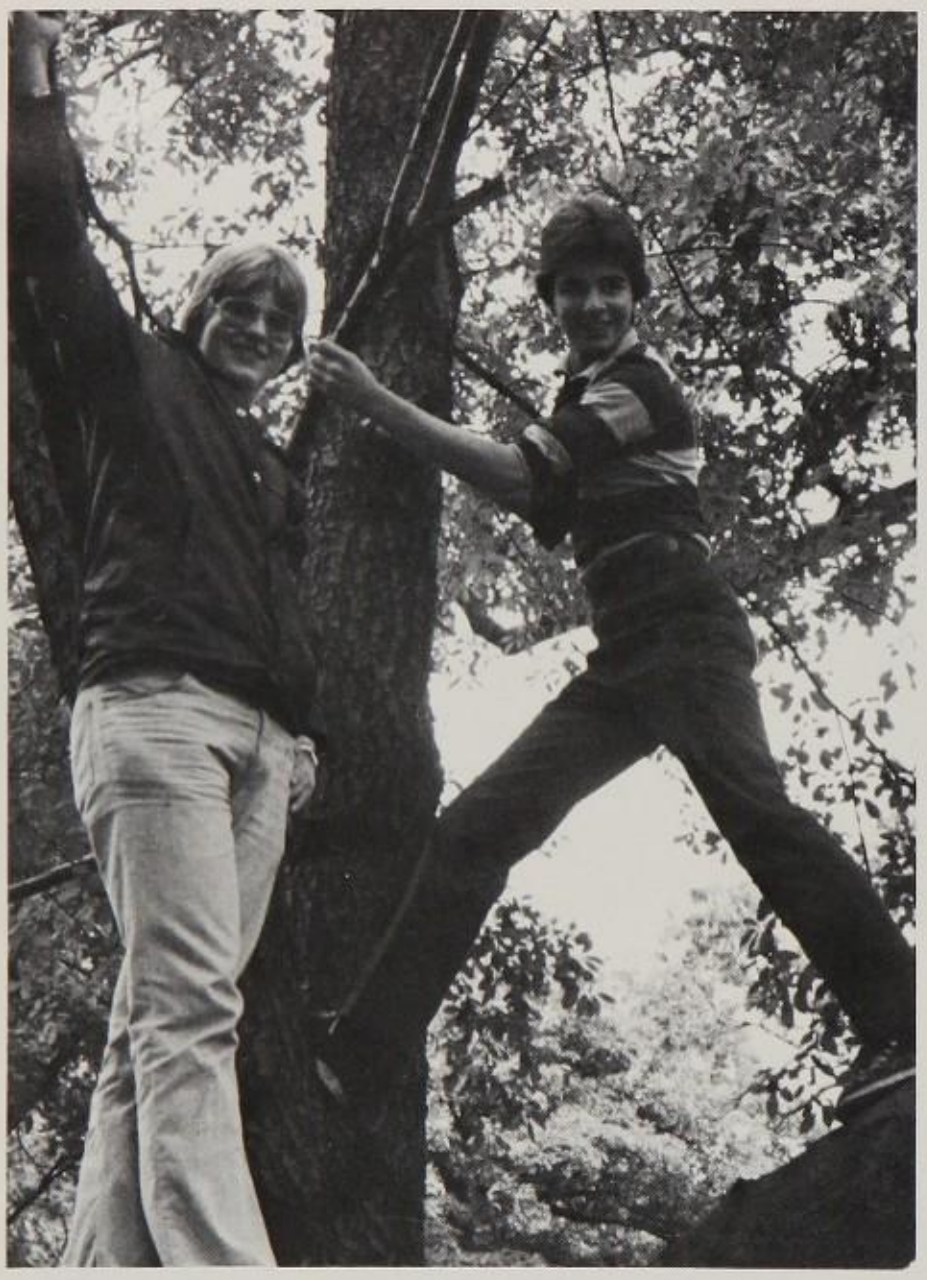
- Tom Immello

Where's the pool?

A six pack of beer, please.

But I bought this elevator pass from a Senior!

INDIVIDUALITY . . . to those students and faculty who encourage it in one another . . . it



is with recognition and thanks that we present
the Blue And White . . .

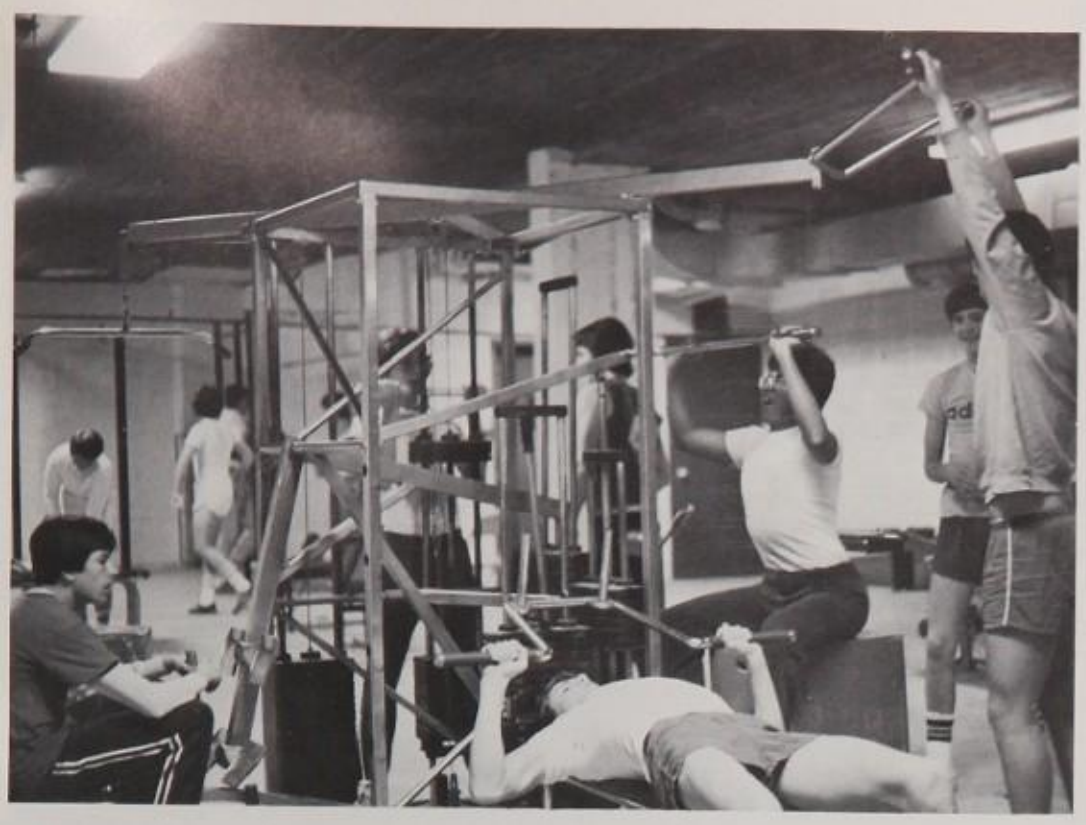
Outside The Classroom . . .

Seniors at work (l. to r.): Ron Probst with food, Matt Wissemann with shoes and Kevin O'Connell with associate at NATHAN'S.

IMAGES

Students and faculty experienced the many sides of life in 1978, both together and alone. For some this meant the frustration of defeat, while others utilized the weight room for muscular development . . . Senior Bill Cassara was voted **Blue & White** Photographer of the Year for his creative work on the end sheets and sports section . . . The annual Track Field Day welcomed the new Freshmen . . . Mr. Buckley grew a beard . . . Junior Bill Feehan and several other students helped with the work on the student retreats and weekends in Esopus . . . Sr. Eileen Gannon became the first religious Sister to teach at Molloy . . . Senior Henry Gifford cycled more than 4,000 miles across the country . . .



IMAGES

S.A.C. representatives (right) help count some of the more than $9,000.00 students contributed to missions ... Freshman Arie Knoops missed his yearbook picture twice - a Molloy first ... Br. Jogues and Mr. Fazziola discussed various approaches for covering French language and literature ... Intramural basketball peaked in popularity ... Liturgies throughout the year were creatively planned by both students and faculty ... Br. Angus, former principal, returned as Guidance Director ... Seniors managed to relax on more than just a few occasions ... Mr. Curran's impressive record of coaching victories continued to climb ... Seniors Lenny Falcone and Lou Dericco offered their own brand of Christmas spirit ... and the tennis team picked up some pointers at the last U.S. Open to be held at Forest Hills.

Brother 641823

A Thank You . . .

In his years at Molloy, Brother Richard Van Houten has unselfishly contributed his many talents in countless ways. For his boundless energy and creativity both in and out of the classroom, we offer our sincerest thanks and very best wishes.

In closing, we would like to take this opportunity to thank the people who helped make this yearbook possible. First, Bro. Raymond Pasi, for his encouragement and guidance which we could not have possibly done without; Mr. Steve Greenlick of the American Yearbook Company for sharing his knowledge and ability; Mr. Herb Halpern and the entire staff at Continental Studios; Ms. Maria Russo for three years of valuable training; the yearbook editors and staff whose endless hours of work made our job easier and enjoyable; and finally, the administration, faculty, and student body for their cooperation throughout the past year.

With this spirit of thanks, we leave the **BLUE & WHITE**, 1978.
